

What is registered group life?

Group life assurance provides a tax-free lump sum to the dependents of an employee who dies whilst covered by the scheme. The benefits are paid into a Registered Trust so are normally tax free unless the member's lifetime allowance is exceeded.

There are usually no exclusions under the policy although there is a maximum total amount that may be paid if multiple deaths arise from the same cause. Employees cannot be covered under this policy beyond their 75th birthday.

The following is a high level outline of our registered group life product. For full information please refer to the registered group life [technical guide](#) or [policy terms & conditions](#).

Insurance Act 2015 – paying claims in full	<ul style="list-style-type: none"> The employer has a duty to make a fair presentation of the risk to us. If they do not fairly present the risk and we would have charged a higher premium had we known about it, the Insurance Act 2015 allows us to proportionately reduce the claim amount rather than charge a higher premium. We believe it is fairer to contract out of this part of the Insurance Act 2015, so that we can pay those claims in full, whilst charging the employer the correct higher premium (and apply any other different policy terms which we would have applied if we had known the information).
