5.1.2 The decision of AIGLL as to the eligibility of any Employee under the Policy is final.

5.2 Termination of membership

5.2.1 An Employee ceases to be a Member on the earliest date on which cover under the Policy ceases in respect of that Employee.

6. BENEFITS

6.1.1 A lump sum will be payable in respect of a Member's death to the Member's Beneficiaries in accordance with Rule 7. The amount of the lump sum will be the amount paid in respect of the Member from the Policy.

6.1.2 No Benefit shall be capable of being assigned or applied for the benefit of any person other than the person entitled or contingently entitled to that Benefit.

7. DEATH BENEFIT TRUST

7.1 Trusts of the Trust

7.1.1 Benefit payable under the Trust shall be held by the Trustee on the trusts under this Deed with power to pay it in such shares (and by one payment or a series of two or more payments) as the Trustee in its sole discretion shall decide to any or all of the Member's Beneficiaries.

7.1.2 The Trustee shall ensure such money held on trust is held in cash with a Deposit Taker pursuant to Rule 2.8 solely for this purpose. Interest accrued on the Benefit may be paid to the Member's Beneficiary or Beneficiaries if the Trustee so decides or otherwise retained for the general purposes of the Trust.

7.1.3 To the extent (if any) the Benefit has not been paid in accordance with Rule 7.1.1 above within 2 years of the date that the Trustee is notified of the Member's death (or any earlier date they could reasonably have been expected to know of the Member's death) the Trustee shall pay any balance to Winston's Wish, a charity registered with number 1061359, provided that if Winston's Wish has ceased to exist the Trustee shall instead pay any balance to such charity as they may determine.

7.1.4 The Trustee shall not be obliged to establish the identity of all potential Beneficiaries of a Benefit or the legal right of the Beneficiary to receive the Benefit and if they think fit shall be entitled to rely upon information provided by the appropriate Participating Employer which, in the opinion of the Trustee, is relevant to the exercise of their power under this Rule.

7.1.5 The Trustee may exercise their power under this Rule by transferring or paying

the Benefit (or any part of it) to trustees to hold on revocable or irrevocable trust (including discretionary trust) for any one or more of the Member's Beneficiaries as the Trustee shall decide. The Trustee shall have the power to appoint or remove a trustee or trustees to such trust as they shall decide and may provide for the payment of the appointee.

7.1.6 Any expenses or costs incurred in the establishment of a separate trust in connection with any payment under Rule 7.1.5, may be deducted from the Benefit if the Trustee so decides.

7.1.7 In exercising their power under Rule 7.1, the Trustee may (but shall not be bound to) have regard to any wishes the Member may have expressed in writing as to the recipient of any lump sum death benefit payable on his death in Service.

7.2 Incapacity and Minority

7.2.1 If in the opinion of the Trustee, a Beneficiary is incapable of acting by reason of illness, mental disorder, minority or otherwise the Trustee may retain any money due to the Beneficiary for any period and then pay it to the Beneficiary or to their estate or to any other person who is or appears to the Trustee to be responsible for their care.

7.2.2 The Trustee shall not be obliged to attempt to determine whether any person has a legal right to be responsible for the care of the Beneficiary and the receipt of such person will be a complete discharge to the Trustee.

7.3 Taxation

7.3.1 The Trustee may deduct from any Benefit any tax for which they may be liable or jointly liable in respect of such Benefit. Where the Trustee is liable or jointly liable to tax or any other fiscal imposition in respect of any Benefit or otherwise under the Trust, the Trustee may apply the Benefit in whole or in part in the payment of such liability (including any interest due) and deduct the amount so paid from the Benefit, or postpone payment of the Benefit until the liability has been met or provision satisfactory to the Trustee made for its discharge.

7.3.2 The Sponsor or any Participating Employer may agree with the Trustee to meet any tax or other fiscal imposition referred to in Rule 7.3.1. Provided payment is made in full to the Trustee within a reasonable period specified by the Trustee,

the Trustee shall not exercise its powers under Rule 7.3.1.

- 7.3.3 If Benefit has been distributed and there are no assets available to the Trustee from which to meet any tax or fiscal imposition arising in respect of any Benefit or otherwise in relation to the Trust, the Participating Employer by which the deceased Member in respect of whom the tax or fiscal imposition in question has been paid shall be solely liable to pay such amount to the Trust or otherwise make arrangements to discharge that liability, but otherwise the Participating Employers shall be jointly and severally liable to pay such amount to the Plan or otherwise make arrangements to discharge their liability.

8. PARTICIPATION OF EMPLOYERS

8.1 Participation of employers

8.2 Employer ceasing to participate

8.2.2 Where cover under a Policy has not terminated all (and not some only) of the Participating Employers covered under the Policy may nonetheless cease to participate in the Trust by giving one month's written notice to the Sponsor and AIGLL substantially in the form attached to the Rules at Appendix 2.

10.1.1 AIGLL may without prior notice to the Members add to, delete or alter the terms of the Trust Deed and Rules (and any subsequent deed). Any alteration shall be effected in writing by AIGLL and may have retrospective or prospective effect and shall be notified in writing to the Sponsor and the Trustee.

have effect until the last remaining Benefit is paid or applied.

11.5.2 Other than the payment of Benefit due under Rule 7 on termination of the Trust neither the Trustee nor AIGLL shall be responsible for the payment of any outstanding liabilities of the Trust at the date of its termination except to the extent there are Trust assets available to the Trustee that are not Benefit being held on trust.
